9-10 April 2016, after the IETF meeting in Buenos Aires, Argentina.
June-July 2016 – ISOC event.
4-6 November 2016 – with ICANN North America.

In addition the Board will have a retreat 16-18 September 2015 in North America.

23. AOB
(a) Follow-up discussion on Board Nominations Committee questions

Desiree asked if the Board should provide guidance to the nomcom about including nominees with direct government jobs in the board slates. The Board discussed the question but did not come to a specific consensus.

Bob reminded the Board that the nomcom only generates a slate and that the community does the actual selection.

(b) Expanding the role of ISOC members as volunteers on ISOC projects

Gihan said he wondered if there was a way for ISOC to make more use of volunteers that would be guided by the staff. The Board discussed possible ways to make use of additional volunteers.

(c) Connect

Jason said that it would be good if Connect could be modified to only require authentication if someone wanted to post rather than just to read.
(d) DRM and W3C

Desiree brought up, and the Board discussed, the W3C’s support of DRM in their standards. There was not consensus that the ISOC Board should express a view on this topic at this time.

(e) Board policies
